# Our Annual Thanksgiving Sale

It scarcely seems time for another Thanksgiving to be here, but the calendar says it's only a few days off. We're sometimes startled to find we are suddenly approaching another yearly mile-post of time—but not so with this store, for we are always prepared and ready with the Thanksgiving merchandise that has never failed to interest the buying public. 'Twould have been nice indeed if we could have welcomed you to this sale in our entire New Store, but we cannot—so we will ask you to overlook any inconvenience and annoyance on account of the rebuilding now going on.

We must confess we are at a disadvantage without our regular amount of floor space—without our finished show windows—without our usual Thanksgiving store-and-window decorations, but we are not going to let any of these things hinder the success of this sale—we'll have extra salespeople and will give you our very best service. We thank every patron of this store who has helped make the past year a prosperous one—and would ask a careful reading of this Thanksgiving Sale "Ad." for it contains a partial bulletin of the hundreds of genuine bargains offered by this "Store of Dependable Merchandise." SALE BEGINS TODAY.
